

# AmeChibi 2025 Photography and Media Policy

The AmeCon committee wants everyone to have an enjoyable and memorable event.

## Photography

Please ask permission before taking a photograph of anyone!

Cosplayers are not your props. If someone says no, you should not take the photo, no matter how amazing their accuracy, craftsmanship or character portrayal.

## Publicity

Sections of the event may be filmed or streamed on behalf of the committee for use in the marketing of future events.

If you do not wish to be filmed or photographed please notify Convention Operations, or speak to a gopher at the event who will be able to find someone to help you.

## Professional Media

If you represent a professional media body or organisation and are planning to report on AmeChibi 2025, please speak to us in Convention Operations first.
